7.2.2025

CORRIGENDUM

to Regulation (EU) 2024/573 of the European Parliament and of the Council of 7 February 2024 on fluorinated greenhouse gases, amending Directive (EU) 2019/1937 and repealing Regulation (EU) No 517/2014
(OJ L, 2024/573, 20.2.24, ELI: <http://data.europa.eu/eli/reg/2024/573/oj>)

(position of the European Parliament adopted at first reading on 16 January 2024 with a view to the adoption of the above regulation
P9_TA(2024)0002
(COM(2022)0150 – C9-0142/2022 – 2022/0099(COD))

In accordance with Rule 251 of the European Parliament's Rules of Procedure, the above regulation is corrected as follows:

1. Page 22, Article 10(1), first subparagraph, introductory wording

for:

‘1. Natural persons shall be certified to carry out the following activities involving fluorinated greenhouse gases within the meaning of Article 4(7), Article 5(1) and Article 8(2), covering the fluorinated greenhouse gases specified therein, or involving relevant alternatives to fluorinated greenhouse gases, including natural refrigerants, where relevant:’,

read:

‘1. Natural persons shall be certified to carry out the following activities involving fluorinated greenhouse gases within the meaning of Article 4(7), Article 5(1) and Article 8(1), covering the fluorinated greenhouse gases specified therein, or involving relevant alternatives to fluorinated greenhouse gases, including natural refrigerants, where relevant:’.

2. On page 22, Article 10(1), second subparagraph, introductory wording

for:

‘Natural persons shall hold at least a training attestation to carry out the following activities involving fluorinated greenhouse gases within the meaning of Article 4(7), Article 5(1) and Article 8(3), covering the fluorinated greenhouse gases specified therein, or involving relevant alternatives to fluorinated greenhouse gases, including natural refrigerants, where relevant.’,

read:

‘Natural persons shall hold at least a training attestation to carry out the following activities involving fluorinated greenhouse gases within the meaning of Article 4(7), Article 5(1), Article 8(1), and Article 8(10), covering the fluorinated greenhouse gases specified therein, or involving relevant alternatives to fluorinated greenhouse gases, including natural refrigerants, where relevant.’.

3. On page 26, Article 12(1), introductory wording

for:

‘1. The following products and equipment that contain fluorinated greenhouse gases or whose functioning relies upon those gases shall only be placed on the market, subsequently supplied or made available to any other person, if they are labelled as:’,

read:

‘1. Products and equipment that contain fluorinated greenhouse gases or whose functioning relies upon those gases shall be placed on the market, subsequently supplied or made available to any other person, only if they are labelled. This applies to:’.

4. On page 29, Article 13(6)

for:

‘6. Following a substantiated request by a competent authority of a Member State and taking into account the objectives of this Regulation, the Commission shall assess the availability of reclaimed and recycled fluorinated greenhouse gases falling within the scope of paragraphs 4 and 5. Where the Commission’s assessment points to a verified shortage of a reclaimed and recycled fluorinated greenhouse gas, the Commission may, exceptionally, by means of implementing acts, authorise an exemption from the prohibitions set out in paragraph 4 or 5, for up to 4 years, to the extent needed to address the shortage identified.’,

read:

‘6. Following a substantiated request by a competent authority of a Member State and taking into account the objectives of this Regulation, the Commission shall assess the availability of reclaimed and recycled fluorinated greenhouse gases falling within the scope of paragraphs 4 and 5. Where the Commission’s assessment points to a verified shortage of a reclaimed and recycled fluorinated greenhouse gas, the Commission may, exceptionally, by means of implementing acts, authorise an exemption from the prohibitions set out in paragraph 4 or 5, for up to 4 years, to the extent needed to address the shortage identified. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 34(2).’.

5. On page 30, Article 13(9), point (c)

for:

‘(c) from 1 January 2028, high voltage electrical switchgear from 52 kV up to and including 145 kV and up to and including 50 kA short circuit current, with a global warming potential of 1 or more;’,

read:

‘(c) from 1 January 2028, high voltage electrical switchgear from more than 52 kV up to and including 145 kV and up to and including 50 kA short circuit current, with a global warming potential of 1 or more;’.

6. On page 30, Article 13(11), introductory wording

for:

‘11. By way of derogation from paragraph 9, the putting into operation of electrical switchgear using or whose functioning relies upon insulating or breaking medium with a global warming potential lower than 1 000 is allowed if, following a procurement procedure that considers the technical specificities of the equipment required for the specific use concerned one of the following situations applies:’,

read:

‘11. By way of derogation from paragraph 9, the putting into operation of electrical switchgear using or whose functioning relies upon fluorinated greenhouse gases insulating or breaking medium with a global warming potential lower than 1 000 is allowed if, following a procurement procedure that considers the technical specificities of the equipment required for the specific use concerned one of the following situations applies:’.

7. On page 31, Article 13(19)

for:

‘19. The putting into operation of any equipment or utilisation of any product listed in points 2(b), 4, 5(c), 7(b), (c) and (d), 8(b) to (e), 9(b) to (f), 11(c), 17(c) and 19(b) of Annex IV after the respective prohibition date specified in those points shall be prohibited unless the operator can provide evidence that:

- (a) the relevant safety requirements at the particular location do not permit the installation of equipment using fluorinated greenhouse gases below the global warming potential value specified in the respective prohibitions; or
- (b) the equipment was placed on the market before the relevant prohibition date set out in Annex IV.’,

read:

‘19. The putting into operation of any equipment or utilisation of any product listed in points 2(b), 4, 5(c), 7(b), (c) and (d), 8(b) to (e), 9(b) to (f), 11(c), 17(c) and 19(b) of Annex IV after the respective prohibition date specified in those points shall be prohibited unless the operator can provide evidence that:

- (a) the relevant safety requirements at the particular location do not permit the installation of equipment or utilisation of products using fluorinated greenhouse gases below the global warming potential value specified in the respective prohibitions; or
- (b) the equipment or product was placed on the market before the relevant prohibition date set out in Annex IV.’.

8. On page 37, Article 22(1), first subparagraph

for:

‘1. The import and export of fluorinated greenhouse gases, and products and equipment containing those gases or whose functioning relies upon those gases shall be subject to the presentation of a valid licence to customs authorities issued by the Commission pursuant to Article 20(4) and (5), except in the case of temporary storage.’

read:

‘1. The import and export of fluorinated greenhouse gases, and products and equipment containing fluorinated greenhouse gases shall be subject to the presentation of a valid licence to customs authorities issued by the Commission pursuant to Article 20(4) and (5), except in the case of temporary storage.’

9. On page 38, Article 23(2), second subparagraph, last sentence

for:

‘... In the case of transit procedure, the undertaking holding quota or authorisations to use quota as required under this Regulation shall be the holder of the procedure.’

read:

‘... In the case of transit procedure, the undertaking registered in the F-gas Portal pursuant to Article 20 shall be the holder of the procedure.’

10. On page 46, Article 32(2)

for:

‘2. The power to adopt delegated acts referred to in Article 8(12), Article 12(18), Article 16(3), Article 17(6), Article 24(1), Article 25(2), Article 35(1) and Article 35(2) shall be conferred on the Commission for an indeterminate period of time from 11 March 2024.’,

read:

‘2. The power to adopt delegated acts referred to in Article 8(12), Article 12(18), Article 16(3), Article 17(6), Article 17(7), second subparagraph, Article 24(1), Article 25(2), Article 35(1) and Article 35(2) shall be conferred on the Commission for an indeterminate period of time from 11 March 2024.’.

11. On page 46, Article 32(3)

for:

‘3. The delegation of power referred to in Article 8(12), Article 12(18), Article 16 (3), Article 17(6), Article 24(1), Article 25(2), Article 35(1) and Article 35(2) may be revoked at any time by the European Parliament or by the Council. A decision to revoke shall put an end to the delegation of the power specified in that decision. It shall take effect the day following the publication of the decision in the Official Journal of the European Union or at a later date specified therein. It shall not affect the validity of any delegated acts already in force.’,

read:

‘3. The delegation of power referred to in Article 8(12), Article 12(18), Article 16 (3), Article 17(6), Article 17(7), second subparagraph, Article 24(1), Article 25(2), Article 35(1) and Article 35(2) may be revoked at any time by the European Parliament or by the Council. A decision to revoke shall put an end to the delegation of the power specified in that decision. It shall take effect the day following the publication of the decision in the Official Journal of the European Union or at a later date specified therein. It shall not affect the validity of any delegated acts already in force.’.

12. On page 46, Article 32(6)

for:

‘6. A delegated act adopted pursuant to Article 8(12), Article 12(18), Article 16(3), Article 17(6), Article 24(1), Article 25(2), Article 35(1) and Article 35(2) shall enter into force only if no objection has been expressed either by the European Parliament or by the Council within a period of two months of notification of that act to the European Parliament and the Council or if, before the expiry of that period, the European Parliament and the Council have both informed the Commission that they will not object. That period shall be extended by two months at the initiative of the European Parliament or of the Council.’,

read:

‘6. A delegated act adopted pursuant to Article 8(12), Article 12(18), Article 16(3), Article 17(6), Article 17(7), second subparagraph, Article 24(1), Article 25(2), Article 35(1) and Article 35(2) shall enter into force only if no objection has been expressed either by the European Parliament or by the Council within a period of two months of notification of that act to the European Parliament and the Council or if, before the expiry of that period, the European Parliament and the Council have both informed the Commission that they will not object. That period shall be extended by two months at the initiative of the European Parliament or of the Council.’.

13. On page 55, Annex IV, point 7 (d)

for:

‘(d) fluorinated greenhouse gases with a GWP of 750 for chillers above 12 kW, except if required to meet safety requirements at the site of operation.’,

read:

‘(d) fluorinated greenhouse gases with a GWP of 750 or more for chillers above a rated capacity of 12 kW, except if required to meet safety requirements at the site of operation.’
